

# When it comes to housing, little things shouldn't make a difference.

If you have children or are pregnant and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex . . . that could be discrimination. And housing discrimination because of familial status is against the law.

A public service message from the U.S. Department of Housing and Urban Development in partnership with the National Fair Housing Alliance. The federal Fair Housing Act prohibits discrimination because of race, color, religion, national origin, sex, familial status or disability. For more information, visit [www.hud.gov/fairhousing](http://www.hud.gov/fairhousing).
